

SOUTH WEST PEAK LANDSCAPE PARTNERSHIP

Beyond the Classroom: Wild About Your School! Useful Links

Where to look for funding

Free trees for schools from the woodland trust - http://www.woodlandtrust.org.uk/plant-trees/community-tree-pack/?utm_source=%2ffreetrees&utm_medium=furl

Alpkit foundation for £50 - £500 - <https://www.alpkit.com/foundation#apply>

B & Q community reuse scheme to provide materials for habitat creation projects - <https://www.diy.com/corporate/community/waste-donation/>

Learning Through Landscapes: Nature Grants (for equipment) - <https://www.ltl.org.uk/naturegrants/guidance.php>

Ernest Cook Trust www.ernestcooktrust.org.uk/grants/

Greggs Environmental Grant Scheme - <https://www.greggsfoundation.org.uk/environmental-grant>

There will be a range of other options/restrictions to discuss depending on location of the school.

Sharing your journey

Creative ideas from other school - <https://www.pinterest.co.uk/ecoschoolsengla/school-grounds-topic/>

Your pupils can share their experiences through the Beyond the Classroom Twitter page by tweeting @SWP_BTC

The John Muir Award record book online can be used to share the story of your project <https://www.johnmuiraward.org/recordbook>

Habitat and survey advice

We can offer you advice from our project officers if your needs are in their area of expertise but the following links have some useful advice to refer to through the planning and action stages.

The John Muir Trust have a fantastic list of resources on surveys which can be found here: https://www.johnmuirtrust.org/assets/000/000/513/Resource_Guide_Survey-1_original.pdf?1435769722

Along with a great range of links on wildlife gardening which can be found here:

https://www.johnmuirtrust.org/assets/000/000/520/Resource_Guide_Wildlife_Gardening-1_original.pdf?1435769971

“I spy a habitat” An activity for learning about the habitats on your school grounds:

<https://www.ltl.org.uk/pdf/O-A-habitat1403854726.pdf>

Encouraging wildlife into your school grounds <https://schoolgardening.rhs.org.uk/Resources/Info-Sheet/Encouraging-wildlife-in-your-school-garden?returnUrl=%2Fresources%2FFind-a-resource%23%2F%253Fso%3D0%26pi%3D0%26ps%3D10%26f%3D1%2C6%3A>

Creating wildflower areas - <https://www.rhs.org.uk/advice/profile?PID=436>

Getting the most out of your school grounds - <https://www.ltl.org.uk/pdf/GroundNotes-Love-Schoolgrounds-May-081287063917.pdf>

Free mini class on maximising potential of small spaces

<http://www.squarefootgardening.com/pages.php?pageid=72>

Pond creation/management form the Freshwater Habitats Trust -

https://freshwaterhabitats.org.uk/wp-content/uploads/2013/09/Pond-Management-guide_FHT-version-2015-1.pdf

<https://freshwaterhabitats.org.uk/projects/flagship/pond-management-info/>

There are a wealth of resources linked to the RHS Campaign for School Gardening which can be found here <https://schoolgardening.rhs.org.uk/Resources/Find-a-resource?so=0&pi=0&ps=10&f=1,1:&page=1>

A guide to identifying some meadow plant species (this could be useful on a visit to another location

<https://www.countrysideclassroom.org.uk/storage/resource/downloads/76f00670-2161-4890-a95a-553b1c6fe9a0/original/meadow-id-guide-plantlife.pdf>

More information on the John Muir Award can be found here: www.johnmuiraward.org

During the course of the programme any questions or updates should be sent to Jackie Wragg the Beyond the Classroom project officer at Jackie.Wragg@peakdistrict.gov.uk

Visit our website: <http://www.southwestpeak.co.uk/>

Keep in touch! Stay up to date with what's going on....
