## Community Grants Scheme

**Community Grants of up to  
50% of total project costs,  
to a maximum of £10,000, available to not-  
for-profit organisations**

## What are they?

Community Grants are available to constituted community groups, registered charities, social enterprises, parish councils and schools who are working on projects that enhance, protect or celebrate the heritage and countryside of the South West Peak Landscape area. The qualifying area stretches from Lyme Park in the north to Onecote in the south.

Eligible projects are those that are working to address one or more of these South West Peak objectives:

1. Conserving, protecting and/or enhancing natural, built or cultural heritage
2. Helping people learn about their natural, built or cultural heritage
3. Helping communities celebrate the natural, built or cultural heritage
4. Increasing people's awareness and enjoyment of the SWP for residents and/or those working in or visiting the area

## Who can apply?

You can apply to the scheme if you are a 'not for profit' organisation that falls into one or more of the following categories:

- A local community/voluntary group/organisation
- A registered charity
- A Parish Council
- A Social Enterprise
- A School
- A church

New or existing groups and organisations operating in, or benefiting the South West Peak area are eligible to apply.

## What can we fund?

- Capital costs e.g. equipment, building costs
- Revenue costs e.g. training, room hire, event costs

All projects must be benefiting the South West Peak area and meet at least one of the South West Peak objectives.

## How much do we give?

Groups need to be able to provide match funding for their projects, as the scheme will only fund up to 50% of the total project costs to a maximum of £10,000 (whichever is the lesser amount).

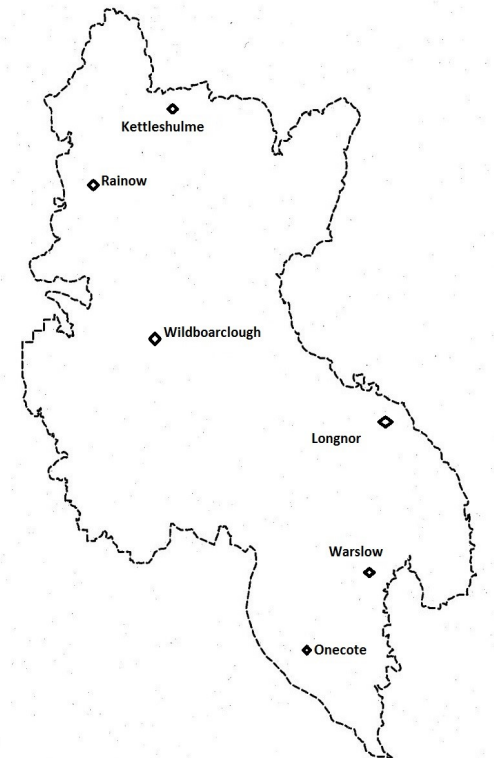

Please do not make applications for less than £500.

Generally grants must be spent within one year.
